| <b>Support / Onboarding</b>   | Standard support | Dedicated account contact   | Dedicated & API support |

## 2. Transaction & Payout Fees

A processing fee applies to every tip transaction handled through the platform. This fee covers technical infrastructure costs as well as payment service provider charges (e.g., credit card networks, Apple Pay, Google Pay, SEPA):

- **Standard Transaction Fee: 10% + €0.49** per successful tip transaction *(automatically deducted from the tip amount upon credit)*.
- **Regular Payouts (Standard Schedule): Free of charge.** Automated regular payouts to the registered bank account of the recipient follow the standard payout schedule at no extra cost.
- **Instant Payouts: 2.5% fee** on the requested payout amount. *Requirement:* Available only for balance payouts with a **minimum threshold of €30.00** per instant payout request.

## 3. Optional Add-ons & One-Time Services

The Client can book the following optional services upon request:

| Add-on / Service                        | Description                                      | Net Price                                                                       |
|-----------------------------------------|--------------------------------------------------|---------------------------------------------------------------------------------|
| <b>Hardware Starter Pack (Standard)</b> | Set of 4 wooden displays with standard QR codes. | <b>€14.90</b> ( <i>Basic Plan price / Additional orders in Pro Plan</i> ) incl. |

|                                        |                                                                    |                                           |
|----------------------------------------|--------------------------------------------------------------------|-------------------------------------------|
|                                        |                                                                    | standard shipping within Germany          |

#### 4. Billing & Payment Terms

- **Billing Cycle (Platform Fees):** Platform fees for Pro and Premium plans are due at the start of the chosen billing period (monthly or annually in advance). Payments can be processed via SEPA Direct Debit, Credit Card, or Invoice.
- **Trial Period:** The Pro plan includes a one-time 30-day free trial. Unless canceled prior to the expiration of the 30-day trial period, the agreement automatically converts into a paid subscription.
- **Price Adjustments:** The Provider reserves the right to adjust this Price and Services List for future billing periods by providing written notice at least 6 weeks in advance.
